

**ARTICULATION AGREEMENT
OF**

**MOHAWK VALLEY COMMUNITY COLLEGE
*MAJOR IN BUSINESS ADMINISTRATION (A.S.)***

WITH

**UTICA COLLEGE
*MAJOR IN HEALTH STUDIES – MANAGEMENT (B.S.)***

EFFECTIVE JANUARY 22, 2008

I. General Statement of Purpose:

Utica College agrees to articulate with Mohawk Valley Community College by providing opportunities for appropriately qualified students in MVCC's Business Administration program (Associate in Science Degree) to complete the Bachelor of Science in Health Studies – Management in the Department of Business and Economics.

II. Requirements and Terms:

- A.** Students who have completed an associate's degree and who have a cumulative average of 2.5 or above will be accepted into Utica College. Transfer student applicants who do not meet these criteria will be evaluated individually.
- B.** Students with an associate's degree are exempt from components I and II of Utica College's core requirements.
- C.** Students who transfer 30 credits of liberal arts and sciences with at least two courses in each of UC's three categories of component II core, including one lab science course, will be exempt from component II of core, but not necessarily exempt from component I of core.
- D.** Students with at least 30 credits of liberal arts and sciences but fewer than two courses in any of the three areas or lacking a lab science must take whatever core courses are necessary to equal two in each area, including a lab science for component II, and must complete all of component I.
- E.** A bachelor of science requires that 60 of the 120 credits required for graduation be in the liberal arts.
- F.** Transfer credit will be given for courses with a grade of C or better with a maximum of 60 transfer credits given students with a MVCC associate's degree in business administration. Credit will be granted according to the appended list of equivalent courses or as general elective credit.

III. Benefits / Advantages

- A. MVCC students transferring with associate’s degrees will have junior status and most will be able to receive a Bachelor’s Degree in two years.
- B. The bachelor of science in health studies – management from Utica College is a Syracuse University degree.
- C. MVCC transfer students are eligible for scholarship and financial aid the same as continuing students.
- D. Utica College will provide housing in campus residence halls within the guidelines and practices governing availability of housing for continuing students.
- E. MVCC transfer students are eligible to participate in internships, externships, coops, field placements and study abroad opportunities open to continuing students.

This agreement will be reviewed in January of each academic year. Should either party desire to terminate this ARTICULATION AGREEMENT, notification shall be given to the other party in writing not less than six (6) months prior to the proposed date of termination.
