

**Articulation Agreement Of  
Mohawk Valley Community College Liberal Arts and Science (Biology Transfer)  
With  
Utica College Biology  
Effective June 1, 2003**

**I. General Statement of Purpose**

Utica College agrees to articulate with Mohawk Valley Community College by providing opportunities for appropriately qualified students from MVCC's Liberal Arts & Sciences: Biology Transfer program to complete the Bachelor of Science degree in Biology.

**II. Requirements and Terms**

- A. Students who have completed an Associate's Degree and who have a cumulative average of 2.5 or above will be accepted into Utica College. Transfer student applicants who do not meet these requirements will be evaluated individually.
- B. Students with an Associate's Degree or 57 credits are exempt from Components 1 and II of Utica College's Core requirements.
- C. Students who transfer 30 credits of liberal arts and sciences with at least two courses each of UC's three categories of Component II Core, including one lab science course, will be exempt from Component II Core.
- D. Students with at least 30 credits of liberal arts and sciences but fewer than two courses in any of these three areas or lacking a lab science must take whatever Core courses are necessary to equal two in each category, including a lab.
- E. A Bachelor of Science degree requires that 64 of the 128 credits required for the graduation be in the liberal arts.
- F. Transfer credit will be given for courses with a grade of "C" or better with a maximum of 64 transfer credits given to students with an MVCC Associate's Degree in Liberal Arts & Sciences: Biology Transfer. Credit will be given according to the appended list of equivalent courses or as general elective credit.

**III. Benefits and Advantages**

- A. MVCC students transferring with the specified Associate's Degree will have junior status and may be able to receive a Bachelor's Degree in two years, but may require more.
- B. The Bachelor's Degree from Utica College is a Syracuse University degree.
- C. MVCC transfer students are eligible for scholarship and financial aid the same as continuing students.
- D. Utica College will provide housing in campus residence halls within the guidelines and practices governing availability of housing for continuing students.
- E. MVCC transfer students are eligible to participate in internships, externships, co-ops, field placements and study abroad opportunities open to the continuing students.

This agreement will be reviewed in January of each academic year. Should either party desire to terminate this ARTICULATION AGREEMENT, notification shall be given to the other party in writing not less than six (6) months prior to the proposed date of termination.
