

**Articulation Agreement Of
SUNY Cobleskill Associate in Science or Applied Science
With
Utica College Bachelor of Science Degree in Health Studies with Continuation to the Master
of Science Degree in Occupational Therapy**

Effective August 1, 2005 to July 31, 2006

I. General Statement of Purpose

Utica College agrees to articulate with SUNY Cobleskill by providing opportunities for appropriately qualified students in SUNY Cobleskill's Associate in Science or Applied Science to complete the Bachelor of Science in Health Studies with continuation to the Master of Science in Occupational Therapy.

II. Requirements and Terms

- A. Students who have completed an Associate's Degree in Science or Applied Science and who have a cumulative average of 3.0 or above will be accepted into Utica College. Transfer student applicants who do not meet these requirements will be evaluated individually.
- B. Students with an Associate's Degree are exempt from Components 1 and II of Utica College's Core requirements.
- C. A Bachelor of Science degree requires that 60 of the 120 credits required for the graduation be in the liberal arts.
- D. Transfer credit will be given for courses with a grade of "C" or better with a maximum of 60 transfer credits given to students with a SUNY Cobleskill Associate's Degree in Science or Applied Science. Credit will be given according to the appended list of equivalent courses or as general elective credit.

III. Benefits and Advantages

- A. SUNY Cobleskill students transferring with an Associate's Degree will have junior status and will be able to complete requirements for a Bachelor's Degree in Health Studies within two calendar years and the Master's Degree in Occupational Therapy within four calendar years.
- B. The Bachelor's Degree from Utica College is a Syracuse University degree. The Master's Degree from Utica College is a Utica College degree.
- C. SUNY Cobleskill transfer students are eligible for scholarship and financial aid the same as continuing students.
- D. Utica College will provide housing in campus residence halls within the guidelines and practices governing availability of housing for continuing students.
- E. SUNY Cobleskill transfer students are eligible to participate in internships, externships, co-ops, field placements and study abroad opportunities open to continuing students.
